IFB No. 22-905

- 1) On Page 1 of the IFB 22-905, it states, "A complete Bid Package will consist of one (1) original bid package with original signatures of each item identified below. Place a check mark or "X" in the box corresponding to each item that you are submitting to the 22nd DAA. For your bid to be responsive, **all required attachments must be returned**. This checklist is for reference only, bidders must comply with all requirements of this solicitation. This checklist should also be returned with your bid package."

If our firm is not a California DVBE, are we required to attach this form, despite the statement that "all required attachments must be returned" since there is not a "N/A" box to check? Similarly, if we check, "N/A" on another form, must it be returned in our bid package?

22nd DAA Response: Please write N/A on the forms and submit them with the package.
